

COMPETENDO CONFERENCE 2017: DEMOCRATIC AND DIVERSITY CONSCIOUS SOCIETIES THROUGH INNOVATIVE EDUCATION

A cross-sectoral conference interconnects educational practice, European and national policy level developments as well as actors from different sectors. With exchange of good practice and recommendations with and for representatives of national and European policy sectors, non-governmental organizations and practitioners in education and activism.

October 6, 2017

Collegium Polonicum/Europa Universität Viadrina

Słubice(Poland)/Frankfurt/Oder (Germany)

- During the International MitOst-Festival <http://mitostfestival.org>
- Share your institution's or initiative's good practice.
- Discuss your recommendations and ideas regarding the future of education and facilitation
- Get in touch with an international network

We'd like to know more about your good practice and insights.
Please use this template for applying **until September 14, 2017**
